

LIAM PAVIER

BOYS 11 SHOT PUT WORLD RECORD HOLDER

LIAM PAVIER PROFILE

Liam Pavier has achieved remarkable results in the field of Sub-Youth Athletics in 2016.

Born on 11 January 2005, Liam is now an 11-year old, Grade 5 pupil at Laerskool Queenswood in Pretoria. Liam demonstrated great interest in all forms of sport since a very young age. After trying out a large variety of sporting codes, Liam took a keen interest in athletics during his Grade 1 year and has participated at cluster athletics level every year since then.

Liam was first introduced to shot put in 2015 and immediately showed both interest and talent in the sport. He has demonstrated a level of dedication and commitment that goes beyond his years. This year alone, he forfeited participation in other sporting codes in order to commit additional time to shot put - often devoting up to 5 hours per day, 4 to 6 times per week working on his strength and technique. Liam is a proud member of the Moot Athletics Academy where he is trained by Head Coach, Janita Eva.

Liam's remarkable dedication and talent is demonstrated in the results attained this year including three world records in Boys 11 Shot Put.
